

CASE or SPY LIST: CDE

Camp Codes. By each case I noted for you camps that produced this case.

BPW is Hoya (Georgetown) Spartan Scholars
Classic is Univ. of Michigan shorter camp
CNDI is Berkley
DDI is Dartmouth
DDW is Dartmouth
ENDI is Emory Univ.
GDI is Gonzaga
GDS is Georgetown Univ. Camp
KNDI is Kentucky
MGW is North Texas
MNDI is Michigan Nat'l debate Inst.
NDI is Northwestern
RBDD is Georgetown
SDI is Michigan State
Samford is Samford (duh)
UM is Michigan 7 week camp

Aliens - RS – DDI. A SETI case.

ASATs Aff UM 7wk Lasers for missile defense & anti-satellite capability.

Asteroid Detection Affirmative - GDI , NDI, Samford, UM, DDI, KNDI. Very similar to the “Killer Asteroids” case in the CDE aff. book

Asteroid Mapping – Samford. Has mining and collision advantages.

Asteroid Mining Aff UM 7, GDI, Samford, DDI

Asteroids Aff (Killer asteroids)- GDS, RBDD, MGW, SDI, DDI

Astrosociology - RBDD – GDS. A version of Killer Asteroids.

Ballistic Missile Defense 1AC - CNDI , DDI. Use space weapons to defend our satellites.

CAV Solar Storms Aff – GDS. Use “Solar Shield” against solar storms.

China Cooperation Affirmative – BPW, GDI, DDI, DDW. Joint space ventures with China will reduce Tensions, reduce war risks, have economic advantage.

Climate Satellites – NDI. We need better satellites for global warming research.

Colonization Moon Aff--KNDI 2011, DDW. Extinction of man on Earth inevitable, overpopulation. We can solve by colonizing the moon and increase the chance of human survival.

Colonize Mars Affirmative – MGW, DDW. We’ll go extinct and or succumb to global warming. A major New project will increase internal and int’l cooperation and the “human spirit”.

Commercialization through property rights. – DDI. Argues that increasing land ownership rights Means increased desirable mining.

Commons DDI. Kritik like—we all need to share outer space, including LDCs.

Constellation Aff – DDW, UM, ENDI, MGW, Georgia Debate Inst. Reinstate the cancelled Constellation Program.

Cooperation and Competition Core - CNDI
Cosmopolitanism Aff UM 7wk. Environmental monitoring satellites to increase int'l cooperation and thus World peace.
Debris Aff – Samford, DDI
Environmental Monitoring Aff UM 7wk
Extra-Terrestrials Affirmative – NDI, CNDI. SETI case with argument about the anthropocentric fear of “otherness”.
Feminism 1AC – KNDI. NASA is too male oriented which feeds the patriarchy. Plan does geriatric study Of women in space.
He3 Aff – DDW, GDI, MGW
India Cooperation MGW. Int'l cooperation for launch access and maintain U.S. commercial leadership in Satellites.
Ironic Frontier Affirmative – MGW. Going to Mars stops our increasing banality, benefits are increase Enlightenment and decreased risk of war.
Joint Polar Satellite System Affirmative - BPW – SDI. Creates increased military readiness, better competitiveness, and increased shipping.
Landsats Affirmative - GDI . Improves knowledge and use of water, thus reduces water wars, reduces Famine, better biodiversity.
Light Pollution AFF – KNDI. Increases astronomical research and better biodiversity. Plan mandates “fixed cut-off shielding....on all outdoor lighting”.
Lunar Mining Aff UM 7wk
Mars 1AC – GDI, UM, DDI. Colonization negates multiple extinction scenarios.
Militarization Aff ddi. Space based missile defense.
Mining Aff - DDI
Mission to Mars Aff MNDI
Moon Colonization Aff UM 7wk
Moon Mining UM 7wk, NDI, MGW
NMD aff – ENDI. A missile defense case.
NPP Aff – KNDI. Better propulsion systems for fighting killer asteroids.
Nuclear Propulsion BPW – SDI, UM, BPW
Nuclear Waste Disposal Affirmative 2 - BPW - SDI 2011
Operationally Responsive Space Affirmative - GDI , UM
Outer Space Treaty Affirmative and Negative - GDI - 2011
Planetary Defense Affirmative - CNDI - 2011
Satellite Hardening Aff Classic, MNDI, UM. Better protection, increased deterrence, thus decreased Risk of conflict. Prevention is better than reaction.
Science Fiction Affirmative- Mean Green Workshops. Esoteric narrative about our perceptions of space. Plan puts monument on space station against slavery, colonialism and racism.
Science Fiction Feminism Aff - UM 7wk. Space policies & NASA are anti-female and anti-gay. Links to war harm.
SETI Aff – GDS, UM, GDI, NDI

SETI as ET – DDI A normal increase SETI funding case but with a strong anthropocentrism justification

Shuttles – SS, CNDI

SMD Aff - UM 7wk

Solar Powered Satellites – NDI, Capitol Classic Camp, DDW, CNDI, MGW, DDI, GDS, ENDI,UM

Solar Sails Aff - UM 7wk

Space Colonization Affirmative - NDI , CNDI, Georgia Debate Inst.

Space Commons Affirmative – ENDI. Treating outer space as subject to national conquest, to dominate and control via technology, increases American nationalism. Plan is to open space as the common heritage of all mankind (and all nations).

Space Debris- GDI, DDI, UM, NDI

Space Guard AFF Neg – ENDI. Create professional military service for space programs creates economic benefit and decreased risk of war.

Space Life Sciences AFF – ENDI. Increases biological and physical science research with reduced U.S. leadership; benefits are int'l cooperation increase and decreased risk of war.

Space Mil Aff – Samford, CNDI, GDS

Space Missile Defense Affirmative – NDI, CNDI

Space National Missile Defense Affirmative - CNDI - 2011

Space Tourism Affirmative – BPW, GDS, RBDD. Plan decreases restrictions on sharing American technology and knowledge by giving exemptions to “Int'l Traffic in Arms Regulations” law.

Space Weaponization Affirmative - FMMS - SDI 2011

Space Situation Awareness Aff - KNDI

Starship Troopers Aff UM 7wk. Case premise: Science fiction is a good way to talk about policy.

Transorbital Railroad – UM. NASA buys 6 long and 6 medium lift reusable launchers and sets regular launch schedules and prices. Economic growth advantage. Plan uses “payload dispenser” to deliver load to multiple locations. Advantages: solar power, tourism, moon, Mars.

Transformational Satellite System- RBDD - GDS 2011

Vision for Space Exploration Affirmative - HHM – SDI. Argues for moon base.

Webb Telescope Aff UM 7wk
